SILLS

Single Course

Two Course

The difference between single course or two course is the face height of the sill - this aesthetic feature can be decided upon by customer preference.

Brickwork

Blockwork (Render)

Sills are available with 100mm stools for brickwork.

Stonework on House

14" and 16" sills for stonework or cladding available to order.

Exposed Pebble Finish

Sills can be made to order with exposed aggregate or exposed pebble finish.
