

	Health & Safety Policy				Ref: No	IMS 16b
	Issued by	N Moore	Date	06/03/2026	Revision	7

This is the statement of general policy and arrangements for **Moore Concrete Products Ltd.**

Moore Concrete Products Ltd is fully committed to complying with all applicable legal and other requirements relating to occupational health and safety. To uphold this commitment, we will:

- **Ensure full compliance** with all relevant health and safety legislation and any other obligations to which the organisation subscribes.
- **Demonstrate strong leadership and management commitment** to the continual improvement of our occupational health and safety management system and associated processes.
- **Establish clear objectives and targets** that drive ongoing improvements in our organisation's occupational health and safety performance.
- **Provide and maintain a safe and healthy working environment** for all employees and for any other parties who may be affected by our activities.
- **Prevent injury and ill health** through proactive risk management, safe working practices, and appropriate training and resources.
- **Ensure this policy is available and accessible** to all interested parties.
- **Communicate this policy effectively to all employees** and foster a culture of consultation and participation, ensuring that workers at all levels are actively involved in health and safety matters.

This policy will be documented, implemented, maintained, and regularly reviewed to ensure its continued suitability and its effectiveness in meeting the required standards.

I personally commit **Moore Concrete Products Ltd** to the principles and expectations outlined in this policy, and I ask all employees, leaders, and managers to support its ongoing implementation and uphold our shared responsibility for creating a safe workplace.
