

## JOB VACANCY

# PRODUCTION OPERATORS

(REF. PO/12/18)

Since its formation in 1978, Moore Concrete Products Ltd has developed into a world class, quality focused, precast concrete manufacturer, based outside Ballymena. The company is customer focused led, ensuring the continued evolution of our extensive product range, designed to meet the requirements of civil infrastructure, agriculture and building customers, across the UK & Ireland. Moore Concrete employ 130 people, and are committed to continuous investment, in a combination of modern office and factory facilities, people skills, design expertise and manufacturing experience. We are proud to have been involved in numerous prestigious Road, Rail, Marine, Coastal, Construction, Flood Alleviation, Water, Energy, Agricultural, Commercial and Housing projects.

We are currently recruiting for Production Operators to join our growing Production team, in both temporary and permanent roles. The purpose of this role is to operate as part of our expanding team in the production of precast concrete products in accordance with Company standards and targets, adhering to the daily production plan e.g. preparing moulds, pouring concrete, producing all planned products, carrying out tasks effectively and meeting health and safety standards.

**Company benefits** include a competitive salary, free car parking, pension scheme, healthcare scheme, attendance payment scheme, paid holidays, cycle to work scheme and a childcare voucher scheme.

**Hours of Work:** Hours will be variable between 32 - 48 hours per week as needed. Standard hours of work will be Monday – Friday 06:00am – 15:00pm or 08:00am to 17:00pm however flexibility to work overtime and/or Saturdays as necessary is essential.

### Essential Criteria:

- Proven experience in a similar role
- Previous experience in the manufacturing/construction industries
- Understanding of Health & Safety at work
- Flexibility in working hours and strong adaptability skills
- Good communication and teamwork experience
- Willing to clean and maintain working area
- An understanding of both written and spoken English

### Desirable Criteria:

- Previous experience working in precast concrete production
- Previous work experience in civil engineering related projects
- The ability to read technical/construction drawings
- Experience with hand / air and power tools
- Counterbalance forklift licence or overhead crane licence
- CSR / First Aid / Fire Warden Training

Closing date for applications: **Monday 7<sup>th</sup> January 2019**

Please contact Nicola on 028 2565 2566 or email [Nicola.Mowbray@moore-concrete.com](mailto:Nicola.Mowbray@moore-concrete.com) for an application form.
