

JOB VACANCY

QUALITY ASSISTANT

(REF. QA/12/18)

Since its formation in 1978, Moore Concrete Products Ltd has developed into a world class, quality focused, precast concrete manufacturer, based outside Ballymena. The company is customer focused led, ensuring the continued evolution of our extensive product range, designed to meet the requirements of civil infrastructure, agriculture and building customers, across the UK & Ireland. Moore Concrete employ 130 people, and are committed to continuous investment, in a combination of modern office and factory facilities, people skills, design expertise and manufacturing experience. We are proud to have been involved in numerous prestigious Road, Rail, Marine, Coastal, Construction, Flood Alleviation, Water, Energy, Agricultural, Commercial and Housing projects.

Moore Concrete are currently recruiting for a full-time Quality Assistant to join our Quality & Technical team in maintaining compliance and conformity with ISO: 9001 British Standards. The role will involve carrying out daily quality checks and driving quality throughout all aspects of the business, ensuring that systems, procedures and policies are adhered to whilst striving for continuous improvement.

Company benefits include a competitive salary, free car parking, pension scheme, healthcare scheme, attendance payment scheme, paid holidays, cycle to work scheme and a childcare voucher scheme.

Hours of Work: Standard hours of work will be Monday – Friday 06:00am – 15:00pm or 08:00am to 17:00pm however flexibility to work overtime and/or Saturdays if necessary is essential.

Essential Criteria:

- Strong attention to detail and accuracy of work
- Thoroughness to ensure products meet required specifications
- IT Skills including the use of Microsoft Word and Excel
- Capability to work in a busy factory environment
- Good communication, negotiation and organisational skills
- Willingness to develop expertise in carrying out necessary tests

Desirable Criteria:

- Experience in material & concrete testing within a laboratory environment
- Knowledge of the construction/civils industry
- Experience in setting out or taking measurements on site
- Ability to interpret technical drawings

Closing date for applications: Monday 7th January 2019

Please contact Nicola on 028 2565 2566 or email Nicola.Mowbray@moore-concrete.com for an application form.
