

JOB VACANCY

STEEL FIXER

(REF. SF/12/18)

Since its formation in 1978, Moore Concrete Products Ltd has developed into a world class, quality focused, precast concrete manufacturer, based outside Ballymena. The company is customer focused led, ensuring the continued evolution of our extensive product range, designed to meet the requirements of civil infrastructure, agriculture and building customers, across the UK & Ireland. Moore Concrete employ 130 people, and are committed to continuous investment, in a combination of modern office and factory facilities, people skills, design expertise and manufacturing experience. We are proud to have been involved in numerous prestigious Road, Rail, Marine, Coastal, Construction, Flood Alleviation, Water, Energy, Agricultural, Commercial and Housing projects.

We are currently recruiting for a Steel Fixer to join our Fabrication team. The purpose of the role is to cut and tie rebar steel reinforcing to the required drawing specification for the Civils industry, in accordance with the company's health & safety and quality standards, ensuring cages are ready in the time agreed and efficiently produced to target.

Company benefits include a competitive salary, free car parking, pension scheme, healthcare scheme, attendance payment scheme, paid holidays, cycle to work scheme and a childcare voucher scheme.

Hours of Work: Hours will be variable between 32 - 48 hours per week as needed. Standard hours of work will be Monday – Friday 06:00am – 15:00pm or 08:00am to 17:00pm however flexibility to work overtime and/or Saturdays as necessary is essential.

Essential Criteria:

- Proven knowledge and experience in steel fixing/steel tying operations
- Previous experience in the manufacturing/construction industries
- Understanding of Health & Safety at work
- Flexibility in working hours and strong adaptability skills
- Good communication and teamwork experience
- Willing to clean and maintain working area
- An understanding of both written and spoken English

Desirable Criteria:

- The ability to read technical/construction drawings or bar schedules
- Counterbalance forklift licence or overhead crane licence
- Previous work experience on civil engineering related projects
- CSR / First Aid / Fire Warden Training

Closing date for applications: Monday 7th January 2019

Please contact Nicola on 028 2565 2566 or email Nicola.Mowbray@moore-concrete.com for an application form.
